First Lutheran Classical School

October-November 2024

We cannot give God anything, for everything is already His, and all that we have comes from Him. We can only give praise, thanks & honor, and so we do.

● Principal Ponderings ●

2 Corinthians 9:10 tells us that God, who supplies seed to the sower and bread for food, '...will enlarge the harvest of your righteousness.' As we gather in our blessings and around our loved ones, let us give thanks for the acorns in our school, who will grow into oaks of righteousness to the glory of God.

In Christ-Mrs. Steen

Teacher spotlight

We welcome Jerome (Jerry) Steen as our new Art teacher. A graduate of the University of Montana with a degree in Fine Arts, Mr. Steen has developed a comprehensive classical Art program. His instruction is designed to develop skills and techniques, examine the affect and impact of art, delve into the history of art, and inspire students to implement their acquired skills and knowledge in creating works ranging from painting to blue-printing, architecture, pottery, and drawing. When not in the classroom, you can find Mr. Steen spending time with his family or out on the trails running ultra-marathons.
